

MANIFESTACIÓN SUSCRITA DE SEGURIDAD

Por la presente informo que Manpower Professional LTDA como Asociado de Negocio del Grupo Prodeco, cumplo con requisitos de seguridad relacionados con los siguientes aspectos:

Relaciones comerciales: Esta empresa realiza una selección y hace seguimiento a sus clientes y proveedores, con el fin de protegerse de actividades ilícitas e incidentes de contaminación de la carga con sustancias o elementos ilícitos. Nuestros asociados de negocio son informados de que ellos también tienen que asegurar la cadena de suministro internacional.

Seguridad del contenedor y otras unidades de carga. Esta empresa implementa medidas de seguridad de los contenedores y demás unidades de carga, así como de los medios de transporte, con el fin de prevenir la ocurrencia de incidentes de seguridad (cuando aplica).

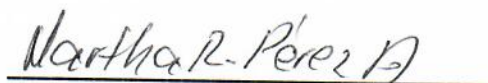

Seguridad física. La empresa cuenta con controles de acceso a las instalaciones para prevenir el acceso no autorizado e implementa medidas que garantizan la seguridad de sus instalaciones.

Seguridad de personal. La empresa cuenta con procedimientos para la selección y retiro de los empleados y para la capacitación en aspectos de seguridad.

Seguridad de los procesos. La empresa cuenta con procedimientos para garantizar la integridad y seguridad de los procesos relativos al manejo, almacenamiento y transporte de carga de la cadena de suministro y los reportes a las autoridades competentes sobre incidentes de seguridad (cuando aplica).

Seguridad en tecnología de la información. La empresa cuenta con medidas para proteger el acceso no autorizado a la información, documentación y sistemas informáticos, para mantener la confidencialidad de la información.

Confidencialidad. Reconozco la importancia de la confidencialidad de la información, por lo anterior, entiendo y nos comprometemos con el cumplimiento de nuestros procedimientos de seguridad de los sistemas de información, manteniendo la confidencialidad de la información a la que tengamos acceso con ocasión de la relación contractual. Nombre del representante.

SECURITY COMMONLY ENDORSED STATEMENT

Through the present communication and as an associate of the PRODECO group, I inform compliance with the security requirements regarding the following aspects:

Commercial relations: This company undergoes a vetting process and makes the following process of its clients and suppliers to protect themselves from illegal activities and cargo contamination incidents involving illegal substances and elements. Our business associates are informed that they must ensure the International Supply Chain.

Container and other cargo units security: This company undergoes security measures to containers and other cargo units, as well as the transports to prevent the occurrence of cargo incidents (when applicable)

Physical security: The company counts with physical access controls to the facilities to prevent unauthorized access and implements measures that ensure the security of their facilities.

Personnel security: The company counts with a vetting procedure for enrollment and dismissal of former employees and training in security matters.

Processes security: The company counts with procedures for ensuring and guaranteeing the integrity and security of the processes related with the handling, storage, and transport of cargo in the supply chain, as well as for reporting the pertinent authorities of any security incidents (when applicable)

I.T security: The company counts with measures for protecting the company against unauthorized access to information, documents, and virtual systems, in order to keep the confidentiality of the company's information.

Confidentiality: I recognize the importance of information confidentiality and thus we understand and compromise with the compliance of our security procedures regarding our information systems, keeping the confidentiality of our information and the information we have access to in our contractual relation.
